10th Annual

CFP Charitable Golf Tournament

Monday, May 20th, 2019
12:30 Shotgun Start

ALBANY COUNTRY CLUB
300 WORMER ROAD
VOORHEESVILLE, NY 12186

This year celebrates CFP Charitable Foundation's 10th Annual Golf Tournament. CFP Charitable Foundation has established a donor advised account through U.S. CharitableGift Trust®, which supports the communities in which we live, work and play. The donor advised account was established to enhance quality of life through financial contributions to social causes. Since its inception in 2010, the Capital Financial Planning Charitable Foundation has made over \$200,000 in donations. Thank you for your generous support.

Proceeds from the 10th Annual Capital Financial Planning Charitable Foundation Golf Tournament will help support AOW Associates Capital Region CANstruction team in benefit of The Food Pantries for the Capital District:

Capital Region CANstruction® is an annual exhibit and design competition that connects talented architects, engineers, contractors, and students in the capital of New York State to imagine and create colossal structures made completely out of canned food items. The structures are on display on the fourth floor of the New York State Museum for two weeks, raising awareness of food insecurity in our region while highlighting local design talent such as that of AOW Associates. At the close of the exhibit, every can is donated to the Food Pantries for the Capital District to help feed families in the Capital Region. <https://capitalregioncanstruction.com>.

The Food Pantries for the Capital District is a coalition of over 60 food pantries located in Albany, Rensselaer, Saratoga, and Schenectady Counties, providing food for more than 2.7 million meals annually. Established in 1979, programs include food funding, holiday meals funding, food delivery service, food rescue, food/fund/diaper/hygiene drives, infant needs, member education/networking, and service referral. www.thefoodpantries.org.
